Please enter your projects in order of highest to lowest priority as you complete the application.

### Funds Not Awarded\*

★ How would your projects/programs be affected if Resort Tax funding were not awarded?

If the Resort Tax funds were not awarded, we would not be able to offer our free Music in the Mountains concert series to the Big Sky community.

### Total Funds Requested FY21 Fall\*

★ What is the total amount of funds your organization is requesting for all projects/programs for this cycle (1/1/21-3/31/21):

*Please ensure that all requests for all projects add up to this total, the form does not calculate a total for you.*

\$206,800.00

### Additional COVID-19 Funds\*

★ Has your organization received any funding from any of the following programs? (Check all that apply)

- Economic Injury Disaster Loan (EIDL)
- Paycheck Protection Program (PPP)

## COVID-19 Funds Explanation

★ Please explain how the funding received affects your FY21 Fall Resort Tax request:

*Provide detail on:*

- *What funding was received (sources and amounts)*
- Amount your request to Resort Tax can be reduced (total ask and broken down by project) if applicable
- When funds were received/expected to be received
- Any other important information regarding this additional funding

We received a \$3,000 EIDL loan and \$26,000 from the PPP, to be used to help cover payroll and operational costs (did not cover all of our payroll). The money received does not affect our FY21 Fall Request, as it went towards operations.

## COVID-19 Impact\*

★ What has the impact of COVID-19 been on your operation and how has this impact affected your Fall Resort Tax request?

We had to cancel all of our in-person summer events because of COVID-19, which resulted in a significant loss of revenue. We were able to offer other arts-based programs and virtual events to the community (many of them free) but no large events. Our FY21 Fall request is for next summer (2021), which will go toward the costs of the series, and is for roughly the same amount we requested and subsequently postponed last spring. As of now we are planning on having the concerts as usual, but will most likely hold off on confirming artists until after the new year.

As of now the Arts Council is planning on concerts as usual next summer. We are planning on starting the concerts on July 1, 2021, one week later than usual because of the BASE community center construction schedule. We will most likely not start booking artists until after the new year to see how the COVID situation plays out. As of now the park is scheduled to be completed before our concerts start. Concerts are slated for 7/1-9/9 next summer.

## Project/Program 2 Additional Information\*

★ What additional information would you like to share with the Board regarding this project/program?

The free concerts will be held in a brand new park for 2021, renamed Len Hill Park, adjacent to the BASE Community Center. Although much of the event will be the same, the newly designed park will present some challenges. The Arts Council has agreed to help pay for the cost of installing sod in the park, as well as for creating a new surface in the highly-trafficked area in front of the stage. We know from experience that grass will not grow in this area, so we are planning on installing an alternative surface that will require less maintenance and be more user friendly. We are asking for funding to help cover this cost, as well as some added metal barricades (to replace some of the aging ones we currently have) and some signage that will no doubt be needed as we move into our new park.

## Community Messaging 2\*

★ Please provide a brief (1-2 sentence) description of this project/program for community messaging purposes:

This project will help pay for infrastructure related to the newly designed Len Hill Park, where the Thursday free concerts will be held. Included are a new, maintenance free area in front of the stage, safety barricades and signage, which will all make the concert experience better for attendees.
