Please enter your projects in order of highest to lowest priority as you complete the application.**

## Funds Not Awarded\*

★ How would your projects/programs be affected if Resort Tax funding were not awarded?

If not awarded, BSFD would continue to operate at the high level that we currently do. We would be forced to tap into emergency/capital reserve funds in order to cover the gap that would be created. We budget in a certain amount of the resort tax funding into our fiscal planning process and if not funded it could potentially push back and force us to reprioritize funding projects and positions that are integral to keeping pace with the rate of development in order to continue to provide the level of service that is expected by our tax base.

## Total Funds Requested FY21 Fall\*

★ What is the total amount of funds your organization is requesting for all projects/programs for this cycle (1/1/216/30-21):

*Please ensure that all requests for all projects add up to this total, the form does not calculate a total for you.*

\$420,712.50

## Additional COVID-19 Funds\*

★ Has your organization received any funding from any of the following programs? (Check all that apply)

None

## COVID-19 Funds Explanation

★ Please explain how the funding received affects your FY21 Fall Resort Tax request:

*Provide detail on:*

- *What funding was received (sources and amounts)*
- Amount your request to Resort Tax can be reduced (total ask and broken down by project) if applicable
- When funds were received/expected to be received
- Any other important information regarding this additional funding

NA

## COVID-19 Impact\*

★ What has the impact of COVID-19 been on your operation and how has this impact affected your Fall Resort Tax request?

The BSFD has been business as usual throughout the pandemic. The initial decline in call volume was not an isolated incident here it was actually seen nationwide. Fortunately with the fall cycle funding we were able to absorb that transport revenue deficit and not have any reduction in service. We continue to operate fiscally responsible and are constantly seeking ways to operate as efficiently as possible. Our organization has reached out of our usual areas of work to offer up help where needed. We will continue to offer up our services wherever we are asked and feel we can help. BSFD is still seeing the affects of the COVID-19 in our operations as we continue to respond to patents who are suspected cases quite regularly.

The goal of our project is to continue to perform up to our vision and motto for this department of "Only Our Best Will Do". This motto best describes the level of service and the commitment this organization has to the community. We strive to continue to provide this level of service and to continue to improve our ability to be adaptive as the risks and needs of the community change. The continued funding will more specifically go towards our continued staffing increases and improvements so that we can respond to emergencies with an effective fire force on a consistent basis.

## Project/Program 1 Spring Funding\*

★ Was this project/program awarded funds in the FY21 Spring cycle?

*If yes, please elaborate in the next question:*

Yes

## Project/Program 1 Spring Funding Explanation

★ If applicable, please describe how you met the measurable goals outlined in your Spring application:

The spring cycle of funding provided us with the funds necessary to deliver the same caliber of public safety response throughout the COVID-19 pandemic with no decline in service due to funding deficits. We continue to respond to numerous EMS calls for person under investigation (PUI) which requires our personnel to utilize full PPE precautions and then further fine decontamination after the fact. These precautions come with extra expenses which we have been able to cover with the awarded funding and it has been integral to our ability to provide seamless services.

## Project/Program 1 Additional Information\*

★ What additional information would you like to share with the Board regarding this project/program?

Our project continues to fall in line with numerous strategies & primary priority initiatives that are outlined by the Our Big Sky Community Vision and Strategy document. In support of our operations we continue to have both direct and indirect effects on many of the initiatives.

## Community Messaging 1\*

★ Please provide a brief (1-2 sentence) description of this project/program for community messaging purposes:

The funding from the BSRAD continues to be an integral portion of funding for the BSFD. The continued funding shows the BSRAD's commitment to investing in the safety and protection of our residents, community, and to the visitors to our community.
