## SAVE THE DATE: Inaugural Big Sky CommUNITY Forum

Big Sky, Montana, September 17<sup>th</sup>, 2021 – The Big Sky Resort Area District (District) is proud to announce the inaugural ‘Big Sky CommUNITY Forum’ to be held on Tuesday, October 26<sup>th</sup> at the Wilson Hotel. The District is hosting this interactive forum as a place for the public to engage with community entities and learn about the work they do in Big Sky. Themes of discussion include: Public Health & Safety; Public Works; Community Support Services; Education & Childcare; Housing & Planning; Recreation & Conservation; Arts, Culture, & Events; and Economic Development.

The event will “kick off” at 4:30pm, with the Community Expo, using a meet and greet format to engage directly with those that make Big Sky BETTER TOGETHER. The Partner Presentations begin at 5:30pm and run until 9:00pm. There will be short presentations from over 35 local entities including government, non-profit, and private businesses. Presenters will discuss projects, programs, and initiatives within Big Sky. Attendees can float between the Presentations and the Expo and are encouraged to mingle with these community partners.

*District Executive Director Daniel Bierschwale states, “Many large-scale projects and initiatives are underway throughout our community. It is a priority for the District to host this event for community partners to engage with friends and neighbors. If you are looking to understand how and what makes Big Sky operate– this is the event for you. Presentations will be at the pace of a “speed dating” like environment; attendees looking for more detail can engage one-on-one at the Community Expo.”*
