

**INTERLOCAL AGREEMENT BETWEEN
GALLATIN COUNTY, MADISON COUNTY, GALLATIN COUNTY SHERIFF'S
OFFICE AND BIG SKY RESORT AREA DISTRICT
TO PROVIDE LAW ENFORCEMENT SERVICES
Fiscal Year 2022, 2023, 2024**

This Interlocal Agreement ("Interlocal Agreement") is made and entered into by and between the Parties: Big Sky Resort Area District ("District"), Gallatin County, Montana ("Gallatin County"), Madison County, Montana ("Madison County"), and the Gallatin County Sheriff ("Gallatin County Sheriff's Office"). The Parties enter into this Interlocal Agreement under the authority vested in them by law and, more specifically, pursuant to §§ 7-6-1509(1)(b), and 7-11-104, MCA, respectively to ensure sufficient law enforcement services are provided within the District.

RECITALS

1. The District is a resort tax area created effective April 7th, 1998 pursuant to Mont. Code Ann. §§ 7-6-1531 through 1550 and the current members of the Board of Directors ("Board") have been duly elected to serve on behalf of the District.
2. Gallatin County and Madison County are each political subdivisions of the State of Montana.
3. The District is authorized to impose, collect and spend a resort tax for several purposes, including but not limited to the establishment and maintenance of an adequately-sized post office; ambulance and other emergency medical services; public transportation systems; snow plowing; tourism development for the District; and other services that provide for the public health, safety, and welfare within the District; and reimbursement or payment to the resort area district of the costs associated with the collection, administration, and litigation of the resort tax.
4. The District's boundaries include certain territory in each Gallatin County and Madison County.
5. The District is not an incorporated city or town and has no law enforcement services of its own, other than those statutorily provided by each Gallatin County and Madison County.
6. Gallatin County and Madison County have entered into agreements in the past for the purpose of providing general law enforcement services by Gallatin County to Madison County in the Madison County area within the District, including the existing agreement effective from July 1, 2020 through June 30, 2023 to which the District was not a party.
7. The District has in the past appropriated a portion of the revenue derived from the imposition of its resort tax for law enforcement services to protect the public health, safety and welfare within the District, allocating such funds to the Gallatin County Sheriff's Office to pay

for a portion of the costs incurred by each Gallatin County and Madison County to provide such law enforcement services to and within the District.

8. The Gallatin County Sheriff's Office is validly organized pursuant to Title 7, Chapter 32, Part 2 and has been duly incorporated and in existence since 1865.

9. The Gallatin County Sheriff's Office is authorized, among other things, to preserve the peace, arrest all persons who have committed a public offense, and prevent and suppress all breaches of the peace within its service area, which in turn falls within the District.

10. The Gallatin County Sheriff's Office submitted an application for receipt of resort tax funds in each of three fiscal years (July 1, 2021 through June 30, 2022 ("FY22"), July 1, 2022 - June 30, 2023 ("FY23"), and July 1, 2023 - June 30, 2024 ("FY24")) ("Application") to the District requesting funds for its FY22-FY24 Operations project, described as The Big Sky/Canyon Division Patrol, to provide law enforcement services to all in and around Big Sky including but not limited to; emergency response, traffic control, criminal investigation, search and rescue coordination, coroner services, service of civil notices, and more, in the amount of \$323,378 for FY22, \$331,299 for FY23, and \$345,304 for FY24 (collectively, the "Services").

11. The Gallatin County Sheriff's Office also submitted additional information related to the Services in response to Q & A from the District in the spring of 2021 ("Supplemental Information").

12. The District conducted a public hearing, on June 7, 2021 and June 10, 2021 on all applications for receipt of resort tax revenue for the District's FY22 funding cycle, including the funding application presented by the Gallatin County Sheriff's Office for FY22, FY23, and FY24.

13. Following discussion at duly noticed and held public meetings on June 7 and June 10, 2021, the District determined that Gallatin County Sheriff's Office Application to provide the Services as described in its Application and in the Supplemental Information meets the requirements of Section 19 of Ordinance #98-01 as amended, and Title 7, Chapter 6, Part 15, MCA.

14. In June 2021, the District's Board therefore approved funding in each of the three fiscal years as follows: FY22 in the amount of \$323,378; FY23 in the amount of \$331,299; and FY24 in the amount of \$345,304 (the "Award") for the Services.

15. The District prepared and circulated a draft Interlocal Agreement reflecting the above funding to the Gallatin County Sheriff's Office in August 2021.

16. On or about February 8, 2023, the Gallatin County Sheriff's Office requested the District amend its FY24 Award to increase the award from \$345,304 to \$655,688 (the "Amended FY24 Award"), which would allow the Gallatin County Sheriff's Office to provide law enforcement services, including patrol and detective services, and search and rescue services on a 24-hour per day, 7-day per week, 365 day per year basis beginning on or before July 1, 2023

for the balance for the Term (the "Amended Services"), and increase the number of deputies providing the services from six deputies to eight deputies.

17. Following discussion at a duly noticed and held public meeting on March 8, 2023, the District's Board consented to and approved the Amended FY24 Award for the Amended Services.

18. Those portions of the Application, the Supplemental Information, and the Application to Amend the FY24 Award which relate to the Services and the Amended Services are incorporated hereby by this reference as if fully set forth in this Agreement as an integral part of the description of the Services and Amended Services.

19. While the parties did not immediately execute a written agreement related to the Award and the Services at the time such actions were agreed to by the District in June 2021, the District has nevertheless timely funded the Award and Services consistent with the Gallatin County Sheriff's Office Application and Supplemental Information since July 1, 2021.

20. The Parties now desire to execute this Interlocal Agreement for the Award, the Services, the Amended FY24 Award, and the Amended Services.

21. Gallatin County and Madison County further desire to rescind the existing agreement for the Services, titled "Agreement July 1, 2020 - June 30, 2023 Gallatin County - Madison County-Big Sky Resort Area District Big Sky Law Enforcement," so that this Interlocal Agreement supersedes and replaces said agreement and all promises, obligations, and conditions therein.

22. In addition, Madison County and Gallatin County desire to add coroner functions to the law enforcement services provided by the Gallatin County Sheriff, such that the Gallatin County Sheriff's Office, in the sole discretion of the Gallatin County Sheriff, will respond to and investigate deaths occurring within Madison County as set forth herein.

IN CONSIDERATION of the foregoing, of the payments previously made, and of the promises contained in this Interlocal Agreement, and pursuant to the statutory authority granted to the parties to enter into Interlocal Agreements, the parties agree to enter into this Interlocal Agreement which equitably allocates funding for law enforcement services within the District, Gallatin County, and Madison County for the public health, safety and welfare of the District as follows:

AGREEMENT

2. **TERM.** The Term of this agreement shall be for FY22, FY23, and FY24, commencing on July 1, 2021 and terminating on July 15, 2024. This Award is not a guarantee that the District will grant any future funds for future Services after the Term expires.

3. **AWARD.** The District agrees to pay to Gallatin County the sum of \$323,378 in FY22, the sum of \$331,299 in FY23, and the sum of \$555,688 in FY24 for the Services and Amended Services as set forth in the Application, the Supplemental Information, the Application to Amend the FY24 Award and the Scope of Services described in Section 4 of this Interlocal Agreement. Madison County agrees to pay to Gallatin County, the sum of \$322,877 in FY22, the sum of \$331,727 in FY23, and the sum of \$555,688 in FY24 for the Services and Amended Services as set forth in the Application, the Supplemental Information, the Application to Amend the FY24 Award and the Scope of Services described in Section 4 of this Interlocal Agreement. In addition, the District agrees to pay to Gallatin County the sum of up to \$100,000 in FY24 for search and rescue services, operations, and equipment provided within the District; provided however Gallatin County shall first seek reimbursement from the State of Montana for such services, and after such reimbursement, the District shall pay one-third of the remaining costs of such services rendered and provided within the District. Madison County agrees to reimburse Gallatin County for search and rescue services, operations, and equipment performed pursuant to this Agreement, but only for those amounts remaining after Gallatin County has sought and received reimbursement from the State of Montana. Madison County also agrees to reimburse Gallatin County for costs and expenses incurred through performing the coroner functions described in this Interlocal Agreement, such as postmortem examinations and extraneous fees, but excluding personnel and operating costs.

Gallatin County agrees to pay all remaining amounts necessary for the provision of the Services and Amended Services as set forth in the Application, the Supplemental Information, the Application to Amend the FY24 Award and the Scope of Services described in Section 4 of this Interlocal Agreement by the Gallatin County Sheriff's Office.

4. **SCOPE OF SERVICES.**

Gallatin County, through its Sheriff, agrees to provide law enforcement, search and rescue, and coroner services to Madison County within the territories of Madison County that fall within the District, and Madison County agrees to engage Gallatin County through its Sheriff to provide such services in accordance with and subject to the terms of this Interlocal Agreement and fund such services in the amounts and for the purposes specified in this Interlocal Agreement.

The Gallatin County Sheriff's Office shall fully perform all Services and take all actions in each FY22 and FY23 as described in this Interlocal Agreement, its Application, and its Supplemental Information, and shall fully perform all Amended Services in FY24 as described in this Interlocal Agreement, its Application, its Supplemental Information, and its Application to Amend the FY24 Award, each of which are incorporated herein by this reference and which are each on file at the District's office, including, without limitation law enforcement, search and rescue, and coroner services.

Specifically, the Gallatin County Sheriff's Office shall execute his duties as set forth in Montana law to provide law enforcement services to the Gallatin and Madison County portions of the District as determined to be necessary by the Gallatin County Sheriff. Gallatin County, Madison County, and the District shall provide for a minimum of six

sheriffs deputies in the District beginning on or before July 1, 2021, and eight sheriffs deputies in the District on a 24-hour per day, 7-days per week, 365-days per year basis beginning on or before July 1, 2023, and shall provide all search and rescue services within the District beginning on or before July 1, 2023. Law enforcement services shall include necessary overtime backup support, and service of civil process. Madison County and Gallatin County shall provide all additional mutual law enforcement assistance in the District as needed, within their capabilities and at the discretion of their respective Sheriffs. Commencing July 1, 2023, the Gallatin County Sheriff's Office also shall provide coroner functions within the District, such that the Gallatin County Sheriff's Office will respond to and investigate deaths pursuant to § 46-4-101(3), MCA. In performing any coroner functions within the District, the Gallatin County Sheriff retains sole discretion in carrying out the duties of a coroner pursuant to Title 46, Chapter 4, MCA, including the determination as to when an investigation is necessary and the methods thereof.

The Gallatin County Sheriff's Office shall ensure that for the balance of the Term, fifty percent (50%) of the eight (8) deputies assigned to the District reside within the District.

If the parties agree more deputies are necessary to provide adequate law enforcement services for the public safety and welfare of those living, working and visiting within the District, they shall do so by mutual written amendment to be attached and incorporated by reference into this Interlocal Agreement.

The deputies provided by Gallatin County under this Interlocal Agreement shall possess the basic Montana Law Enforcement Academy certificate. Each deputy shall be fully deputized as a Madison County Deputy Sheriff. The deputies shall be employees of Gallatin County and shall be supervised by the Gallatin County Sheriff. The commanding officer of the Canyon District of Gallatin County shall also be deputized as a Madison County Deputy Sheriff.

In addition, the Parties shall fully comply with the terms and conditions set forth in this Agreement.

5. **EXPENDITURE REQUIREMENTS: AMENDMENTS.** The Gallatin County Sheriffs Office, Gallatin County and Madison County shall expend the District's Award and the Amended Award for each fiscal year of the Term solely for the Services and Amended Services to be provided in each fiscal year of the Term as specifically described in this Interlocal Agreement and the Application, Supplemental Information, and Amendment to FY24 Award submitted to the District by the Gallatin County Sheriffs Office. Should the Parties desire an amendment to this Interlocal Agreement, or to change the Services or the Amended Services or the use of the District's Award or Amended Award, such amendment must first be approved by the District in writing.

6. **SUBMISSION OF PAYMENT REQUESTS.**

A. *Execution of Agreement as Condition Precedent to Payment.* This Interlocal Agreement must be fully executed and returned to the District before any Party may submit any payment request for the District's Award or Amended Award.

B. *Award Orientation.* An Award Orientation must be completed by the Gallatin County Sheriff's Office before any Party may submit payment request for the District's Award or the Amended Award.

C. *Designated Representative.* All payment requests to the District must be signed and submitted by the Designated Representative identified as Gallatin County Sheriff Dan Springer.

D. *Documentation to Support Payment Requests.* Payment of the District's Award or Amended Award shall be made to the Gallatin County Sheriffs Office only upon receipt of documentation deemed appropriate by the District in its sole discretion. All payment requests and follow up forms shall be submitted using the online portal established by the District, using forms provided by the District. The Parties shall attach to the payment request proper documentation showing the Services or Amended Services have been performed and/or the materials have been received, including without limitation all invoices for Services and Amended Services received, payroll records for all payroll costs, documentation of compliance with applicable federal, state and county laws, regulations, and ordinances, and any other documentation related to the Services and Amended Services or projects as requested by the District. If the payment request is for Services or Amended Services which have not yet been performed or materials which have not yet been received, the District reserves the right, in its sole discretion, to delay payment until performance or receipt, or to permit payment but to require the Parties to submit proof of performance or receipt within five (5) days following actual performance or receipt; should the Parties fail to timely provide such proof of performance or receipt, the Parties shall be in default of this Interlocal Agreement. Documentation submitted by the Parties must clearly show the dollar amounts, and all documentation must be submitted in the order in which the expense appears on the itemized expense list form required by the District. The District, after consulting with the Gallatin County Sheriff, may determine whether or not the payment request submitted is for items or services within the scope of Services or Amended Services described by Section 4 of this Interlocal Agreement. Payment requests for items or services not within the scope of Services or Amended Services described in Section 4 of this Agreement, as determined by the District after consulting with the Gallatin County Sheriff, will not be paid or reimbursed.

E. *Timing of Award Payments.* All payment requests must be timely submitted to the District not later than sixty (60) days following the date on which the Services or Amended Services were performed. Payments shall be made only for services actually rendered and/or materials actually supplied during the payment period; no payments shall be made for services to be rendered in future time periods within the Term. The District shall process payment requests on the 1st and 15th day of each month (each a "Processing Date"). Should a payment request not be received by the Processing Date, the District shall hold the payment request until the next Processing Date. The District shall not be obligated to fund any payment request that is not timely submitted.

F. *Schedule of Payment Requests; Changes to Schedule.* All payment requests are to be submitted on the schedule established by the District during the award orientation. The Parties shall notify the District of any changes of \$50,000.00 or more to a scheduled payment request as soon as possible following determination that a change in schedule is desired or required. All requested changes to the payment schedule must be agreed to in

writing by the District a minimum of 10 days prior to the date of the desired change in schedule. Requested changes to the payment schedule not timely received by the District shall not be approved.

G. *Final Payment Requests.* All final requests for payment at the end of the Term must be submitted to the District no later July 15th, 2024, for Services or Amended Services received on or before June 30th, 2024, for processing on the next Processing Date. The District shall not be obligated to fund any final payment request that is not timely submitted or for any Services or Amended Services incurred after June 30, 2024.

H. *Form of Payment.* The District shall make all payments of the District's Award or Amended Award by check, made payable to the Gallatin County Sheriff's Office and mailed to 615 S 16th Avenue, Bozeman, MT 59715.

7. **NONCOMPLIANCE.** If resort tax funds are paid under this Agreement and the Parties are unable to provide the Services or Amended Services as specified in Section 4, the Parties shall notify the District immediately and shall immediately return any and all portions of the District's Award or Amended Award previously paid, unless good cause is shown by the Parties and the District expressly agrees in writing to waive the return of such previously paid amounts.

8. **RETURN OF FUNDS-UNSPENT FUNDS.** If for any reason, resort tax funds awarded to the Parties have not been spent by the Parties prior to the date specified in Section 6(G) of this Interlocal Agreement, the unspent District Award or Amended Award shall not be disbursed to the Parties but shall be retained by the District and reallocated for other purposes in the sole discretion of the District. The District shall not be obligated to re-award unspent funds from the prior year.

9. **MEETINGS.** Administration of this Interlocal Agreement shall include periodic meetings of the Gallatin County Sheriff and the Madison County Sheriff with appropriate commanding officers of the Canyon Section of Gallatin County. Gallatin County agrees to monitor the expenses of the administration of this Interlocal Agreement relating to law enforcement activities within the District and will provide to the Madison County Sheriff and the District the information about the expenses upon request. In addition, Gallatin County agrees to provide copies of all work schedules, complaints and reports to the Madison County Sheriff and to the District upon request. It is further recognized between each county that from time to time either Sheriff may require the attendance of the deputies at Sheriffs meetings.

10. **PRESENCE OF LAW ENFORCEMENT IN MADISON COUNTY.** It is recognized between each county that a significant objective to be served by this Interlocal Agreement is the visible presence of law enforcement in both the Madison County portion of the District and the Gallatin County portion of the District on a regular basis. To accomplish this objective each county agrees that the deputies provided for by this Interlocal Agreement shall spend an appropriate amount of time per day within each Madison County and Gallatin County as determined by the Gallatin County Sheriff and the Madison County Sheriff. Each county recognizes that the time involved will be flexible from day to day and season to season.

11. **COOPERATION BETWEEN COUNTY ATTORNEYS.** The Gallatin County Attorney shall provide law enforcement cooperation with the Office of the Madison County Attorney as necessary including, but not limited to, availability for conferences, providing investigation services and appearances in court. 12. **RECORDS.** The Parties shall maintain accounts, records and other evidence pertaining to the funds expended under this Interlocal Agreement during the Term of this Interlocal Agreement and for a period of five (5) years following the expiration of this Interlocal Agreement. The system of accounting employed by the Parties shall be in accordance with generally accepted accounting principles or other comprehensive basis of accounting and will be applied in a consistent manner so that the expenditures by the District under this Interlocal Agreement can be clearly identified from all other expenditures. Upon reasonable notice, the Parties agree to provide the District or its designated agent with access to the accounts and records relating to the services provided and payments made by the District under this Interlocal Agreement and to subject its use of the District's Award or Amended Award for the Services or Amended Services to audit by the District's auditors upon the District's written request.

13. **LIABILITY.** Gallatin County, Madison County, and the Gallatin County Sheriff's Office shall hold the District, its Board, and all its agents and employees harmless and indemnify for any acts, errors, or omissions arising from the services provided or performed by the Gallatin County Sheriff's Office which could result in any claims by any Party, its employees or by a third party. The Parties shall assure the provision of the comprehensive general liability insurance that includes coverage of bodily injury, property damage, protection from civil rights violations, and attorney's fees incurred at all trial and appellate levels, and automobile liability. The Parties must provide proof of insurance for itself and its subcontractors to the District prior to any payments being made under this Interlocal Agreement. Each Gallatin County and Madison County shall also carry any other liability insurance for the activities of law enforcement as it deems appropriate.

14. **STATUTORY PROVISIONS.** All Parties shall comply with all applicable state, federal and local laws, and regulations.

15. **DEFAULT AND TERMINATION.**

A. In the event Gallatin County, Madison County, or the Gallatin County Sheriff's Office fails to materially comply with any provision of this Interlocal Agreement, such Party shall have the right to cure such a material breach within thirty (30) days from receipt of written notice of the default or breach provided by the District to such Party.

B. In the event the defaulting Party fails to timely cure any material breach of this Interlocal Agreement as set forth in paragraph A of this Section, the non-defaulting parties may terminate this Interlocal Agreement upon ninety (90) days written notice to the remaining parties.

C. Upon termination of the Agreement by the District for failure of the defaulting Party to perform provisions of this Interlocal Agreement as described in paragraphs A and B of

this Section, the District may require that all unspent resort tax funds plus 6% annual interest from the date of receipt of the funds shall be immediately returned to the District.

D. Should the District fail to comply with any provision of this Interlocal Agreement, the District shall have the right to cure such a breach within thirty (30) days from receipt of written notice of the default. Should the District fail to timely cure any breach of this Interlocal Agreement, the non-defaulting parties may terminate this Interlocal Agreement upon ninety (90) days written notice to the remaining parties. In the event the District's default or failure to remedy the default is due to reduced collections of resort tax such that the District is unable to reasonably pay the Award or Amended Award, this Interlocal Agreement may be terminated, but such termination does not eliminate any statutory obligation of either Gallatin County or Madison County from providing law enforcement services to their respective county territory that falls within the District's boundaries.

16. **TERMINATION FOR CONVENIENCE.** Any party may terminate this Interlocal Agreement for convenience by providing the other parties written notice at least one (1) year in advance of the intended termination date. Upon the effective date of such termination, the District may require that all unspent resort tax funds plus 6% annual interest from the date of receipt of the funds are immediately returned to the District.

17. **ASSIGNMENT.** This Interlocal Agreement may not be assigned in full or in part without the prior written approval of each of the Parties.

18. **SEPARATE LEGAL ENTITIES.** There shall be no legal entity created between and among the Parties as a consequence of this Interlocal Agreement.

19. **INTERPRETATION.**

A. This Interlocal Agreement shall be governed and interpreted according to the laws of the State of Montana.

B. The provisions of this Interlocal Agreement are independent and severable, and the invalidity, partial invalidity, or unenforceability of any one provision or portion shall not affect the validity or enforceability of any other portion.

20. **ENTIRE AGREEMENT.** This Interlocal Agreement, and all documents incorporated herein by reference including without limitation the Application, the Supplemental Information, and the Application to Amend FY24 Award submitted by the Gallatin County Sheriff's Office, constitutes the entire agreement between the Parties. No alterations, modifications, or additions to this Interlocal Agreement shall be binding upon the Parties unless reduced to writing and signed by the Parties. The District having entered into this Interlocal Agreement for the Term does not bind the District to entering into any Interlocal Agreement with the Parties in the future.

21. **NOTICES.** Any notices, demands, or other communication required by this Interlocal Agreement to be in writing shall be delivered (i) in person, against receipt, (ii) by certified mail, postage prepaid, return receipt requested, (iii) by U.S. Express Mail or a commercial overnight courier that guarantees delivery within the next two business days, or (iv) by email if the original notice is also served by one of the processes described in (i), (ii) or (iii) above. The Parties shall then enter negotiations to amend this Agreement as necessary to account for the actual availability of funds and the law enforcement services that can be provided to the District and Madison County commensurate therewith. The Parties further agree that any such adjustment by the District of its Award or Amended Award shall not relieve Gallatin County or Madison County from its statutory obligations to provide law enforcement services to their respective territory that falls within the District's boundaries.
